

“Crafting with the Carver COA”

sponsored by the Friends of the Carver Council on Aging

Materials Lists for Bleeding Tissue Painting:

Materials include:

- **Watercolor paper or heavy weight paper**
- **“Bleeding” tissue paper** *in shades of red, pink, green, blue and brown cut into shapes of flowers (reds and pinks or color preference), leaf shapes and brown stems . Pieces of blue will be used for the background and do not need to be cut.*
- **White glue**
- **Medium or Large flat brush**
- **Plastic cup for water and glue**
- **Paper towel**
- **Scissors**

At the Carver COA we have all kinds of activities, events and crafts for Seniors living in our area. Get our newsletter for events or better yet just drop by the Carver COA when we're open.

If you can't get out to the Carver COA, we thought it might be a good idea to create a few “how to” videos for some crafts that you could do on your own. When you come to our craft making events at the Carver COA we generally supply you everything that you need to make and complete the craft.

If you wish to do this at home, you will need a few things. You can get them at the store, amazon or have someone bring them to you.

A Special Thank You to the Friends of the Carver COA and all of their members for helping make this possible. Plus, Thanks to CCAT/ Area 58 for all of their great work on creating the videos.

Send in photos of your completed craft. We'd love to see them!

Thank you for joining us and we look forward to seeing you at the Carver COA soon.

BE A FRIEND

Please send photos of your completed crafts to the FriendsCarverCOA@gmail.com so we can see all of the incredible things that you are doing!

Join the Friends of Carver COA so we can bring you more activities like this to you.

The Friends of
CARVER
COUNCIL on AGING

Thank you again. See you soon.
